

# Anchorage Independent School District Plan for Safe Return to In-Person Instruction 2023-2024

## Practices to Promote a Healthy School Environment

Students, teachers, and staff who have symptoms of infectious illness, such as [influenza](#) (flu) or [COVID-19](#), should stay home and be referred to their healthcare provider for testing and care, regardless of vaccination status.

Staying home when sick is essential to keeping infections out of school and preventing spread to others. AISD will: Recommend parents, staff and students to follow the appropriate CDC guidelines, pursuant to the below link:
